NOTE.

1215
CO.

Subject:— BRUSHWARE - SUPPLY OF - TO THE
GOVERNMENT OF INDIA.

No. no. D1C 6 / 13/10/40.

Returned with compliments.

I have examined the existing and potential sources within the State for the manufacture and supply of brushware. At Present there is only one firm engaged on this industry, namely, "The Bangalore Brushware Co.," 72 Brigade Road, Bangalore Cantonment, with thirty years experience. This firm is ~~reported to be~~ on the approved list of the Stores Purchase Committee, Mysore Government, and they are understood to be regular suppliers to Railways and other Corporate bodies in India.

It is understood that some of the raw materials such as metal wires, fibres, bristles, etc. are to be imported, and on account of the unsettled market conditions, due to War, the importing of the materials in bulk has become a problem. The firm, on this account do not guarantee the time of delivery, but however, promise to despatch available quantities of brushware fortnightly or monthly. The firm assures that best seasoned Mysore wood and other best raw materials would be used and guarantees best workmanship.

Copy of letter with estimate of costs received from the firm is forwarded herewith.

I am inclined to think that trial orders may be placed with this firm direct by the Government of India.

The 23 specifications etc. received are returned herewith.

Camp-Mysore,
13th October '40.

13th October 1940
Director of
Industries and Commerce.

CHIEF SECRETARY TO GOVERNMENT)

Copy of letter dated 2nd October 1940 received from the Proprietor, The Bangalore Brushware, Co., 7E Brigade Road, Bangalore, to the Director of Industries and Commerce, Government of Mysore, Bangalore.

Re - Supply of Brushes.

We beg to submit herewith our 21 Estimates for supplying and making brushes of different denominations and trust you will find the same in order.

We beg to state that we shall be most happy to undertake the supply of above brushes wholly or partly and even we are prepared to accept the supply of one or two items out of 21 Estimates of brushes submitted herewith in case of the whole of the estimates were not considered in our favour.

RE - WOOD:- We assure you of the best quality of Mysore seasoned wood and best other raw materials such as bristles, wires and etc., be used, in the manufactory of these brushes to ensure perfect satisfaction.

WORKMANSHIP:- We guarantee full satisfaction in the finishing off the brushes, as we have skilled and experienced workmen and would put our 30 years experience in getting up the brushes.

TIME - DELIVERY:- At the present crisis and in the rarity of procuring raw materials in bulk, we are unable to guarantee the specified date but would guarantee the finished brushes to be despatched to the destination by fortnightly or monthly as they get ready and according to the men employed. You may rest assured that we would devote whole of our energies and resources to the making of these brushes and carefully examined before despatch.

EMPLOYING SKILLED MEN:- In the event of our being favoured with the order fully or partly, we are prepared to employ skilled men in the line as many men as required say from 100 to 200 men and as such; would enable to turn out some thousands of brushes per month.

QUALITY:- Brushes made by us, are second to none in the Market, because of their supreme quality, durability and excellence of finish. The house is very proud of its name which itself implies of quality and experience.

SAMPLES:- In the event of our 21 Estimates or a portion of them being approved of by you and should you require our own make samples for such approved brushes wholly or partly we are quite prepared to submit our samples corresponding to the estimates given by us.

Tendering our best thanks and soliciting your kind patronage.

FROM

THE SECRETARY

TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Dated Bangalore, the 13th August 1940
14th

SUPPLY OF BRUSHWARE.

SIR,

As the existing sources of supply for brushware is inadequate to meet the greatly increased demands of the Government of India, it has become necessary to establish new sources as speedily as possible.

2. I am directed, therefore, to request that the Government of Mysore may kindly investigate existing and potential sources within the Mysore State and report on the extent to which they can co-operate in the manufacture of brushware of all kinds. The Hon'ble the Resident will be very grateful for any assistance which the Government of Mysore may find it possible to afford

in

in this matter.

3. I am to enclose -

- (a) a statement of demand hitherto uncovered; and
- (b) a set of specifications (return requested) governing the more important items of brushware.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Letter dated 25th October 1940 from the Bangalore Brushware Co., Ltd., to the Director of Industries and Commerce in Mysore, Bangalore

In continuation of our 21 estimates submitted to your goodself on or about the 2nd October 1940, we beg to state that since we have not heard from you regarding our estimates we beg to add the following conditions which are compelling us to do so at the present crisis which we trust you will find that we are justified in doing so.

Owing to the great scarcity of raw materials of all kinds, and to the enormous increases in the cost of bristles, also to higher rates of wages, and to the consequence of ever increasing difficulty of forecasting the conditions likely to prevail in the manufacturing world in the immediate future all estimates quoted by us are subject to revision or cancellation at any time should the state of the materials market, labour conditions, interruptions in traffic or any other circumstances, render this action necessary.

Thanking you.
